Portfolio: www.barkornizer.com
Based in Tel-Aviv

I prioritize unique ideas, high performance, and attention to detail in my design process. I explore new technologies, adapt to diverse workspaces, and emphasize usability and accessibility, to create a complete and empowering user experience.

EXPERIENCE

Product designer at Firma
2020-2023
Crafted user experiences and designs for complex services in diverse sectors such as Fintech and Biotech. Organized the entire product lifecycle, including user research, user flows, wireframing, prototyping, design research, UI design, design system development, and quality assurance. Additionally, I led workshops to encourage collaboration and generate ideas

UI Designer at Compedia
2017-2018
Creating interactive games and videos within the ITALAM LMS program, aimed at assisting teachers and students in Jewish schools worldwide to learn Hebrew and explore Jewish heritage.
